## ORIGINAL WATERCOLOURS

We are pleased to offer the original watercolours for all of the in-page illustrations used in the seventeenth Noddy book, "Noddy Has An Adventure" first published in 1958. The artists for this book were Robert Tyndall and Peter Wienk. In total there are 44 images, of varying sizes, all pen and watercolour on card. They include many delightful images of one of the most iconic characters of twentieth century children's literature.
